TERMS AND CONDITIONS

 Quotations herein subject to change without notice and are for full bags.
 Prices are Net FOB Jacksonville, Fla., unless otherwise stated.

SPECIAL QUOTATIONS

"The Bingham Seed Company warrants to the extent of the purchase price that seeds sold are as described on the container within recognized tolerances. Seller gives no other or further warranty, expressed or implied." All contracts subject to delays and contingencies beyond our control.

NOTICE

All of our Oats, Rye, and Wheat have been treated. In addition, Floriland Oats on hand at present are clipped. Later as we buy additional requirements as the season progresses, clipping the Oats and treating these grains may crowd us to make prompt shipment. We would like to encourage those who prefer treated seed to place orders early, so we can keep enough treated ahead of demand. Coastal Wheat is highly recommended for winter pasture. Thank you.
